Experience

Senior Video Editor, Shown — Present

- Edit short-form ads, VSLs and product videos for client brands.
- Cut for hooks, retention and conversion on TikTok, Reels and Shorts.

Creator, InRealLife (TikTok) — Present

- Run my own TikTok channel: shoot, edit and post a new video every day.

Freelance Video Editor and Social Media Manager — Remote

- UGC ads, hype and launch edits, AI generated ads, VSLs, SaaS product demos and podcast clips.
- English and Chinese voiced versions of ads, written and recorded by me.
- Managed a client TikTok account end to end: 558 posts, captions, scheduling and reporting.
- 1:1 coaching on AI ad workflows (Google Flow, Melius).

Projects

SpeakSure: online classroom for paid English courses — Next.js, Supabase

- A Google Classroom alternative: teacher approval enrollment, tasks that unlock in order, drag to reorder classwork.
- English, Chinese and Arabic interface. 6k lines of TypeScript, 69 commits.

AbroadNet: study-abroad consultancy site (client) — React, Vite

- Lead funnel into a Google Sheets CRM, Gemini chat assistant, English and Bangla, 534 course listings.
